

MUNCHKIN[®] LOOT LETTER[™]

Get All the Gold. Right Now!

COMING THIS FALL!

Munchkin Loot Letter, for when you want to steal the treasure and backstab your friends - without all of the silly card-playing stuff. Well, without some of it. OK, without all but 16 cards of it, at least.

And better still, without all of that smooching and kissy stuff of that *other* game...

Seiji Kanai's smash hit Love Letter returns with all the crazy fun of Munchkin. No more princesses to worry about, just pure loot!

- Easy gameplay and fast learning time.
- Attractive price point.
- All the fun of Munchkin for both Munchkin and Love Letter fans.
- Awesome Munchkin carrying bag for the game!
